

The London Underground Treasure Hunt

on Thursday/Saturday2017 at 2.30 pm / 6.30 pm / 7.30 pm

We don't usually recommend that under 16s compete in the London Underground Treasure Hunt because we feel that there is a cut off point of 16 years of age where people are generally more responsible with their own personal safety, even within a team environment and with adult supervision.

Therefore to have an under 16/under 16s within your team we ask you to please sign the following disclaimer before the event starts (we have already indicated by email when you first booked, including an under 16 in your team that you would need to sign this disclaimer to allow an under 16 year old to compete)

I _____ as the parent (other relative,.....) accept full responsibility for the personal health and safety of my son/daughter (other relative,.....) during today's London Underground Treasure Hunt event.

Name(s) of under 16(s) you are taking responsibility for:

Your relationship to the under 16(s):

Signed by the parent/relative:

Please print your name here too:
